

Region 87 – Volunteer Support

www.ayso87.org/volunteer

Volunteer with Region 87

Without volunteers, we would not be able to provide the positive, fun and exciting AYSO soccer program to **YOUR** kids. Everybody needs to pitch in and help!!!!

Most Importantly... **AYSO provides ALL necessary training!**

Please pick the letter of your choice to help your child's team:

- A. **Coach:** Spend quality time with your child and bring smiles to a whole team. We provide training and equipment. You provide the fun. Moms and dads welcome!! – (Coaches are the lifeblood of the program for all our kids)
- B. **Assistant Coach:** Help your child's coach. Again, we provide training.
- C. **Referee:** We provide training, equipment, and MENTORING – and YOU? You get to learn the laws of the game and help to provide an exceptional soccer experience for all. You are the key to a successful 1 hour soccer party on the pitch! – Games can't happen without trained referees.
- D. **Team Parent:** Someone needs to organize the parents to provide refreshments and support for the kids. You get to set the schedule.
- E. **Registration:** Without registration, we have no program. Help to register players and volunteers. We only do this twice a year, but need lots of help. Bi-lingual help is needed.
- F. **Field Lining:** Learn to operate a field-lining machine!!
- G. **Extra Program Volunteer:** Help with organizing the Extra (travel & tournament) program.
- H. **VIP Volunteer:** Work to expand a great program for children with special needs. (this is a new pilot program we will be starting up again once we get a qualified volunteer)
- I. **Publicity:** Work on our website, social media, and help distribute information about our program to participants in the program and the community.
- J. **Sponsor Management:** We need sponsors for a variety of support events; from the Swallows Classic to Volunteer Appreciation days, Friday Night Lights, etc...
- K. **Uniform Management:** Someone has to look after 1000 kids and 200 Referees...
- L. **Fields & Grounds:** Help to make sure that our fields are in playable condition and are left in good shape.
- M. **Special Events:** Picture Day, Coaches' Dinner, Soccer Game Trips. They are special--so are you.
- N. **Board Member:** Our Executive Board is always in need of fresh talent to help make what we do better and to help expand our leadership team. (Registrar, Treasurer, Safety, Division Coordinators, Referee Administrators, Tournament Coordinator, etc...)

Each Region is 100% Volunteer Run – Can we count on you to support your Region?
