

HOW DO I REGISTER MY CHILD?

First time to play for AYSO:

Go to www.eayso.org and follow the directions for first time player registration.

Please remember to go through every screen including the e-signature portion at the end of the form. There is a small check box that must be checked just above where you type your signature.

After completion of the e-signature, print a copy of the player form to bring with you to registration. If you are not able to print the form, please make sure you have disabled your pop-ups. Remember to record your email address and password so that you can access this information every year.

Returning players:

Go to www.eayso.org and follow the directions for player registration.

Please remember to go through every screen including the e-signature portion at the end of the form. After completion of the e-signature, print a copy of the player form to bring with you to registration.

You will need last year's password to be able to access www.eayso.org. The registrar cannot help you with this process. If you cannot remember your password, please select "Forgot Password" on the login screen of the www.eayso.org website. The site will email you your original password or help you create a new one.

Please also remember to disable your pop-ups in order to print the player and volunteer forms.

Bring with you to registration:

- One printed copy of the player registration form for each of your players. The form MUST include an e-signature, which will show up pre-printed on the player form.
- If not paying online – we accept cash or CHECK made out to Region 87 at the registration events. NO credit cards accepted at the events.
- One printed copy of your volunteer form. The form MUST include an e-signature, which will show up pre-printed on the volunteer form.
- Driver's license or a picture ID if you are registering as a volunteer.
- Birth Certificate for players new to Region 87
